The Adventures of Buster Bear

is another set of children's stories by the conservationist,
Thornton W. Burgess (1874 - 1965).

Buster Bear has many adventures and misadventures as he meets the different characters in the Green Forest near the Laughing Brook. Along the way, we learn about the habits of Buster and his friends and we learn little lessons about life such as the importance of sharing, not stealing, making friends and not sticking one's head into tin pails.
